Please confirm the following:				
I understand the award of the Bursary is conditional on my already taking the course named above, or having been accepted onto the course.				
I agree that I will advise LDA Design immediately if I leave the course, and any delay may mean I will be liable to return a bursary instalment.				
I consent to my response to the challenge being published by LDA Design on its website and in other publicity, credited to me.				
I understand that the judges' decisions are final.				
LDA Design intends for one or more of the bursaries to be allocated to students who have faced financial or other challenges in pursuing higher education. Please tick any of the following that apply to you:				
Are you the first generation in your immediate family to attend university?				
Were you eligible for free school meals?				
Have you been in local authority care?				
Have you been responsible for the long-term care of a sick or disabled family member?				
How would you describe your ethnic origin?				
By submitting your application you permit us to contact you by telephone and/or email in connection with the Bursary Programme. If you are successful, we will ask you for your CV. You also acknowledge that you have read our privacy policy and that you consent to our processing your personal data in accordance with it.				

Please return your completed form together with your response to the challenge by midnight on Friday 29 September 2023 to bursaries@lda-design.co.uk
